Subject: Thank you for the memories.

I'd like to thank you for the giving me the opportunity to see my mother, Barbara Sheets, during the past holiday season. While mom was home, she had the chance to visit her children, grandchildren, family and friends, that she hadn't seen since she moved from New York to Colorado a few years ago.

It was wonderful having her home again, and it meant so much to all of us. Unfortunately, once she returned home she ended up back in the hospital. I just wanted to say thank you from the bottom of my heart for making mom's visit happen.

We will always be thankful to those people who have donated their time, money, and effort to make this possible. If it wasn't for the kindness and generosity of the people at Making Memories, we wouldn't have gotten the chance to see her again. So, on behalf of my family -- thank you from our hearts to yours, you made a wish come true.

Sincerely,  
Jennifer Sheets
