Greetings;
Home safe and sound, and
full of wonderful memories,
what a great road trip!
1163 miles of fun and
exploring, wish it could
go on forever. Thanks
is so small of a word for
what you've given us.

what a trip! Better than
a roller coaster. And the
view. Wow!!!

Greetings;

Wow! What a wonderful, relaxing week it
has been. Nothing like a good road trip to
get me unwound. Can't tell you how good
this has been for us, words can't say how
I feel for all you've done for us. Thanks
