

# *Oropeza Family Visits Magic Kingdom*

*When BJ Oropeza contacted the Making Memories Foundation asking for help in “surprising” his wife, little did he know “what a difference” that could make to Cathie. Exhausted from treatments and caring for their two sons, ages 6 and 6 months, Cathie needed some “time in the sun.” That time was found in Orlando, FL, at the Magic Kingdom with her family. “Seven, magical, wonderful, carefree days.”*

*“It was just so much fun,” she said upon her return. “It was like a fairytale and I was the princess. We could never have done this on our own - not now, not with all our medical expenses. How can I thank you? My son will never forget this and my baby will have our pictures to look back on.”*

*“I wish I could tell everyone what this trip meant to us. Maybe if they only knew, they would help another family in our situation. God Bless each of you who participated in granting my wish.”*

*Cathie Oropeza’s wish comes true. The family, all smiles as they returned to Portland’s International Airport, upon their arrival home from 7 fun filled days in Disney World.*
