

Jodi's Mother Says Goodbye

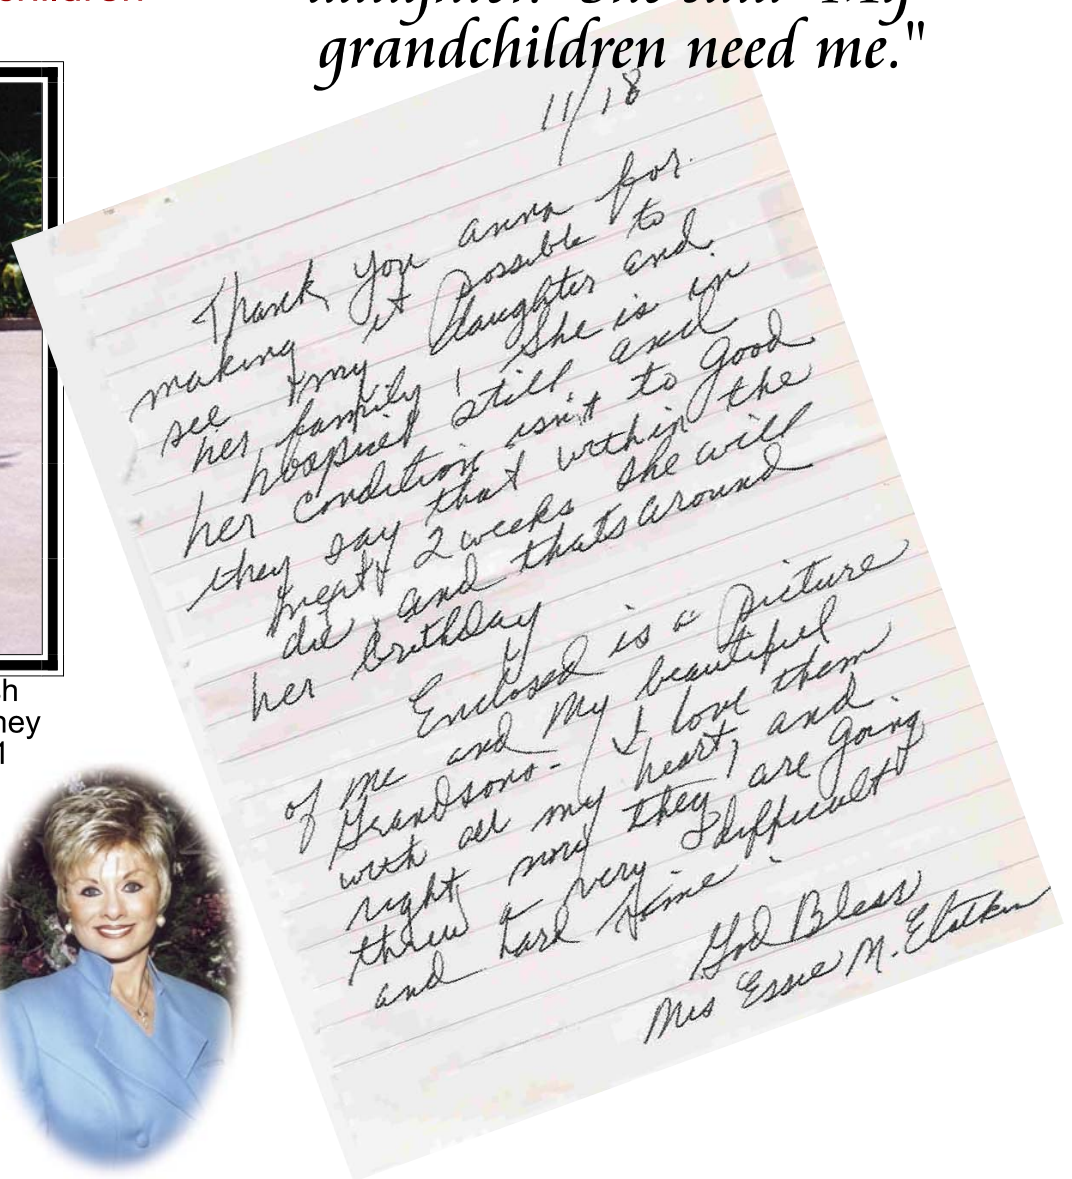

Jodi's mom and children

Mother of Jodi Harris, also diagnosed with terminal breast cancer, requests wish to fly home to say goodbye to her daughter. She said "My grandchildren need me."

Jodi Harris during her wish to take her children to Disney six months earlier - 2001

Dee Simmon, National Spokesperson and Founder of Ultimate Living International along with husband, Glenn Simmons, made both wishes possible! Thank you both so very much! Your kindness and generosity truly made a difference!
