RE: WISH GRANTED

Dear Fran and Anna:

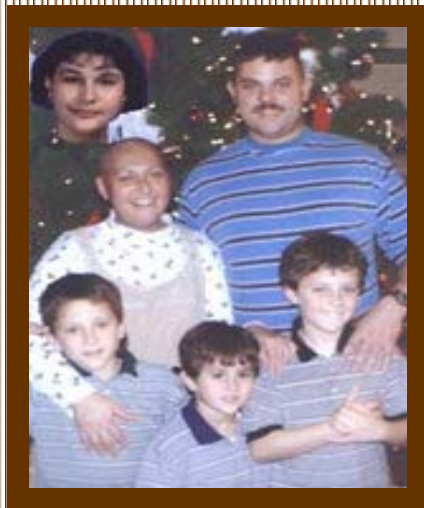

Please forgive me for not getting back to you as soon as we got back from our trip, but I'm still a little wiped out!!

I'd like to THANK YOU both for working so hard to make my wish come true for my family! I'd also like to THANK Dee, Charlene and Heather for Sponsoring us!! None of this would have been possible without your kindness and generosity.....

My family had the time of their life! Greg, Clint and Matt fell asleep after dinner every night (but of course we didn't eat dinner until sometimes 10pm)! They were so excited!

We started at Disney World on Tuesday, MGM Studios on Wednesday, and Animal Kingdom on Thursday. Friday was "pool" day for us at the Hotel pool (of course, I forgot to pack my bathing suit!).....

I am so grateful to each of you, not only for this Wish but for helping me overcome the fear of walking again! I checked out a wheel chair on the first day because I didn't think I could walk it and I was right, but the second day at MGM, I only used the wheel chair half the time (they are so uncomfortable and my drivers were busy running over other people's feet and I was getting the dirty looks!!)

-2-

At Animal Kingdom, they told us that in order to see everything is about 9 miles of walking....I was determined to walk it (before I became ill, I would walk about 20 miles around the base every morning!) I told myself I could do it and I did!!! Didn't even check out a wheel chair!!! I have all of you to THANK for helping me build up my self confidence again!!

I've enclosed 2 pictures of us at Animal Kingdom.....that's all I have for right now.....(I messed up 2 throw away cameras..).....If you want more, please let me know, my cousin took plenty and he didn't mess up his cameras!!

Once again, from the bottom of my heart AND the smile on my children's faces.....THANK YOU SO MUCH FOR EVERYTHING!!!

You are truly Angels.....

With Love & Hugs,

*Jodi Harris*
