

I wanted so much to be close to Shaq & Kobe

Dear Fran,

I hope that an email letter isn't too crass compared to a nicely handwritten one, but the chemo I'm on leaves the tips of my fingers numb and my hands shakey, so I prefer writing everything on the computer.

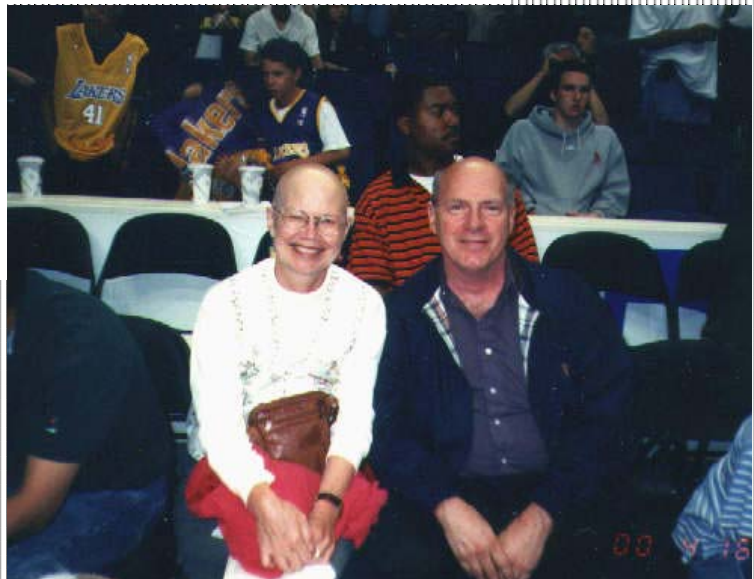

I want to thank you and your Foundation for the wonderful experience you provided me: attending a Laker game in person. You not only provided the transportation (plane and limo) but you were able to secure the BEST tickets in the house! I wanted so much to be "close" to Shaq and Kobe, and I WAS!!

Two rows off the court allowed me to hear them talking, see the sweat dripping from their faces, and be aware of their huge size!! I have always dreamed of getting close seats at a Lakers game, but never did I think it could happen. It took metastasized breast cancer to bring my dream to reality. I tell people you can find good (the trip) even with cancer.

I appreciate what YOU are doing and wish I could thank those who contributed/donated for my wish. I would never have done it without you and your help.

Thank you again,

Judy Conklin
