

Julie Plans A Wedding with Making Memories Help

Julie and Friends

Dear Fran,

THANK YOU for the wonderful wedding dress! It is absolutely stunning! I appreciate your foundation and the generosity towards breast cancer patients,

I will be watching my pennies as I plan my wedding, but because of your generosity, I was able to choose my dream dress. On my wedding day I will feel like a princess!

Let me tell you how I got together with my sweetheart, Guy. In January 2001 I taught a ventriloquism class. Guy was one of my students. In October 2001 after my mastectomy, I was unable to perform children's programs solo anymore. Guy volunteered to help out. Because he had taken my class he could easily do puppetry and ventriloquism. We both decided we didn't want a relationship and to keep things on a friendship level. However, after performing many skews together we fell in love. He is the man of my dreams and we hope to marry sometime next spring.

Thank you again for your overwhelming generosity and for your part in making a wonderful wedding!

Sincerely,

Julie Kroneman
