

Julie and Debi Swim with the Dolphins

9/07/2001

Dear Anna—
 I am so sorry it took so long to get these pics and this thank-you to you. This trip was truely the trip of a lifetime. We will all remember how much fun we had and the warmth and beauty of the Keys. Look at the smiles on our faces! The timing was perfect in that I felt strong, and was out of treatment.

Life is a miracle - everyday ... I can appreciate each moment.
 We thank you and your wonderful organization for making this dream/wish possible. We didn't want to go home!

What a gift - we have a treasure of memories!
 Thank-you!
 Love, Julie, Noelle & Debi - Dolphin friends!

Two best friends Julie and Debi BOTH with metastatic breast cancer had their dream fulfilled of swimming with the Dolphins at the Dolphin Research Center in Florida
