

Generous Donations “Make A Difference” For Michigan Family

Chuck and Linda Knox of Cypress, TX, read of Kim Farrell's request for a trip to the Magic Kingdom with her family on the Making Memories website and generously donated a week of their Orlando time share to help make her dream come true.

In reflecting upon their return, Kim said, “The Grande Vista was just that “GRANDE”! The Knox family was so kind to give us this gift. We had a fabulous time. The boys loved every minute of it!

Spirit Airlines who donated our airfare also gave us the ROYAL TREATMENT! They even took our picture for the next issue of their in-flight magazine. They boarded us first, and even had goodie bags for us and the kids.” It was very, very cool!

We just want to thank everyone who made this happen for our family. You are all wonderful!
