Laurie meets Making Memories Wish Director, Anna Nelson

Dear Anna,
Here is the best picture I could find. After looking at all our photos of California, I realized I didn't do a very good job of getting Laurie in more of them. I don't think she felt very photogenic on our trip. (Which I understand.) Let me know if this picture won't work. I have a few more to choose from.

Thank you so much for making that trip happen. We have so many wonderful memories of our trip. I just can't express to you how much it meant to us. Thanks!
