

Patty's Wish To Make Memories with Hannah, Joe & Justin September 2001

Patty's wish for a trip to Disney World with her husband and three young children was made possible by a generous gift from Linda Baker, Secretary of Human Services for the State of Illinois and by the Ananda Lewis Show in New York City.

Following her trip, Patty was a guest on the Ananda Lewis show with Secretary Baker and Wish Director, Anna Nelson to share the wonder and joy she experienced with her children in Disney World. Patty died only six months after her wish was granted, but her family will remember it for a lifetime! Thank You Linda Baker and Ananda Lewis for making dreams come true!
