

Quilla Whiten Visits Son and Grandchildren in Arizona

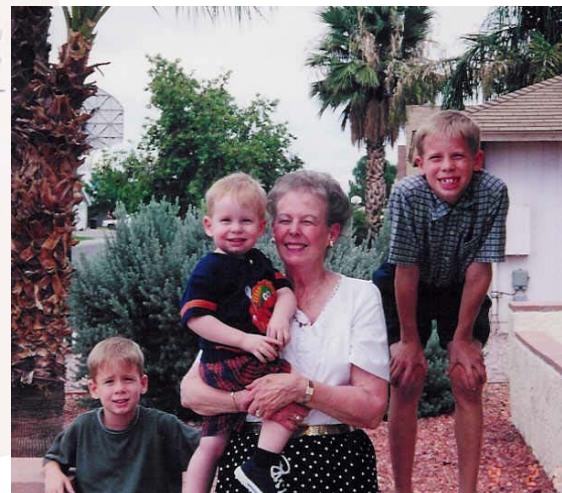

thank you

Quilla with Son Mark
during her visit to Phoenix
September 2001

Fran,
 I want to thank you for
 thinking of me & offering me the
 free airline ticket.
 I had a wonderful visit with my
 son, Mark & his wife Brenda & my
 three grandsons - Alex, Andy & Trey.
 I flew to Phoenix on
 August 30th & returned September 5th.
 (The expiration date on the ticket).
 I am enclosing a few pictures
 of my family taken on my visit
 with them.
 I want to express my appreciation
 to you & the "making memories
 foundation" for all that you are
 doing to bring about some moments
 of happiness to those of us that
 have breast cancer.
 May God continue to bless you,
 Many thanks
 Quilla Whiten
