Dear Ms. Nelson,

I bet you thought I forgot about you!

By now you have probably received copy of an email I sent you on 11/25/02 with a recap of the events that delayed the pictures I promised to send.

I am enclosing some pictures my husband took. I would also like to send you a couple of pictures I have on my computer. Would you please send me your email address so I can send them to you? My email address is: shsdrpms@aol.com. I'd also like to email you a thank-you that you can more readily publish.

Thank you again for granting me my wish. It has truly meant a lot to me and I don't know how I could have survived all that has transpired without your making possible all the reading!

Regards,

Sherrie Browne
